HISTORY & MEANING

The Front

There are three parts to the front side of the coin:

- The motto, "Taking Care of Our Own"
- The MN EMS Honor Guard Patch
- The year the Honor Guard was established - 2002

The Back

There are six parts to the back side of the coin
The Star of Life

- An Ambulance representing all ground EMS crews
- A Helicopter representing all EMS flight teams
- A back drop of an American Flag in the wind
- The meaning to each of the six points of the Star Of Life around the border
- The bar where either a number is stamped or the words "Thank You" are inscribed
 - Numbered Coins are for the Honor Guard Members
 - Thank You coins are given to those who have supported the Honor Guard

HISTORY BEHIND THE COIN

At the National EMS Memorial Service in Colorado Springs, Colorado., Minnesota EMS Honor Guard members Shawn Stoermann, Ron Schmidt and Brad Johnson attended an informal gathering of EMS providers from across the country.

During this gathering, an EMS provider approached the Honor Guard members producing a "challenge coin" from the National Memorial Bike Ride.

It was discussed and decided at the gathering, that a "commemorative coin" would be developed for the Minnesota EMS Honor Guard.
